Treat Station Vendor Form

Monster Bash at the Discovery Center is our annual trick-or-treating event for kids and their families. The event provides a safe place to trick-or-treat, while also learning science! We are asking community organizations to participate in the event with a booth where kids can trick-or-treat. Monster Bash 2016 had approximately 800 trick-or-treaters (with parents in tow) so, for 2017 **we are expanding the event to 2 nights!** Please circle which night/s your business plans to attend.
